

GMMCO Offers Quality Products & Services Matching Infrastructure Requirements

Gmmco Ltd., HQ, Chennai

Established in 1967, Gmmco – a CK Birla group company has been in the sales and support of construction and mining equipment as well as engine power systems for over four decades. Gmmco has the widest product offering for meeting the needs of customers in all sectors of the infrastructure industry.

With over four decades of experience in the field, and over 25 years of association with Caterpillar the world leader in machines and engines, Gmmco is well placed to take full advantage of the construction and infrastructure boom that India is currently experiencing and becoming the market leader.

Products Range and Solutions

Gmmco, markets and supports a wide range of Caterpillar Machines and Engines in South, Central and Western India. The products include Dump Trucks, Wheel Loaders, Track Type Tractors (Dozers), Wheel Dozers, Hydraulic Excavators, Motor Graders, Articulated Dump

Trucks, Track Loaders, Backhoe Loaders, Paving Products like Soil Compactors, Tandem Compactors (Asphalt Rollers), Asphalt Pavers, Cold Planers (Asphalt Milling), and a complete range of gensets and engines for marine, petroleum and industrial applications.

Rental & Used Equipment Business

The company offers clients machines and engines on rental basis or even as used machines. This offers customers the option of going for world-class equipment at a fraction of the cost of investing into a new equipment, a boon to small contractors and for short-term contract jobs, and major corporates wanting to outsource their equipment.

World-Class Workshops

Gmmco maintains state-of-the-art workshop and repair facilities across the country. Of these, the Nagpur workshop is one of the very few in the Asia-Pacific region to be accredited

with the 5 star contamination control certification by Caterpillar. This Certification is awarded by Caterpillar after a rigorous audit to assess the levels of contamination in the workshop and the processes which are adopted to control the same. It also has 4 star certified workshop in Chennai and a state-of-the-art SOS lab in Nagpur.

It's workshops ensure truly modern and cutting-edge services to customers in any maintenance tasks – be it in repair, rebuild or rehabilitation. Gmmco's Machine Rebuild Centre at Nagpur is one of the best in Asia Pacific Region. It is equipped to carry out bumper-to-bumper repairs of any type of machines as per Caterpillar procedures. And with Contamination Control standards in place, it ensures best-in-class quality and value for money for its valuable customers.

4-Star Learning Center

It's state-of-the-art 4-Star Learning Center at its Chennai facility ensures world-class training with the latest tools in the business. The Center includes 4 spacious class rooms, a unique lab facility for Applied Failure Analysis (AFA), a multimedia lab, machine simulators, exclusive bays with adequate training aids for each system, viz., Engine, Electrical & Electronics, Hydraulics, and Power train, and Machines and Engines for on-iron training.

Gmmco Power

Gmmco Power, a division of Gmmco Ltd., is distributor for the wide range of Perkins Engines in South, Central and Western India.

SEM Construction Equipment

It is the exclusive distributor for SEM China in South, Central and Western

Cat 950H wheel loader

India. Under the arrangement, Gmmco currently brings you SEM's 658C 5 Ton (BSIII Compliant) Wheel Loader with complete support from our facilities.

With SEM being a Caterpillar-owned company, Gmmco also provides sales and support for SEM construction equipment.

Allied Businesses

It's Allied business brings more of the world's leading Machines and support equipment/services to make their offerings complete and comprehensive. We are proud to partner the following leaders as authorised representatives in our territory:

- Crushers and Screens from Terex Finlay
- Steel Plant Material Handling Equipment from Kress
- Crawler Cranes from Sennebogen
- Piling Rigs, Hammers and Powerpacks from Junttan
- Construction Technology Solutions from Sitech
